

**Brand:** Ranger

**Model:** RJS-12T

**Description:** 12-Ton Heavy-Duty Jack Stands / Set of 2

### Designed to Protect the Most Precious Equipment in the World

Before you slide underneath a vehicle, make sure it's sitting on top of a pair of Ranger jack stands. The RJS-12T Stands are Ranger's strongest and they'll easily keep up to 24,000 lbs. off the ground, but what's more important is that they are designed to protect the most precious equipment in the world—you. That's why all Ranger jack stands are constructed out of welded steel and feature a ratchet and pin safety design to ensure they remain locked under load. Use them in pairs for automotive and fleet services as well as agricultural and construction equipment service facilities.

### Features
